<b>CALL TO WORSHIP – The Whole People of God</b>	
--	--

Walking along the road, fishing, eating a meal; in the ordinary, everyday things, the disciples met the risen Christ.

**Jesus is present among us.**

Everything written in the law of Moses, the prophets, and the Psalms has come true. We do not need to feel alone or confused. Jesus will always be with us.

**Jesus is present among us.**

Jesus loved his disciples, and Jesus loves us, too.

**Jesus is present among us.**

Let us praise God on this wonderful day!

**Amen! Alleluia!**

### **OPENING PRAYER - Whole People of God**

Holy God, you are like a parent, teaching and challenging us to be the best we can be, delighting in us and offering us all that you have. Help us to open our minds that we may hear

what Jesus is telling us. Open our hearts to hear what the Spirit is saying. Help us to discover the new possibilities that you lay before us. Help us to be the hands and feet of Jesus on earth, that we may do your work, as Christ's Body, in our world. Help us to be like Christ, that we may experience holiness in your creation and in each other. Amen.

April 18 - The Incredible Difference Your Gifts Make: Bill's Story

---

In 1971, as a young adult who had fallen in love with nature at camp, Bill Darnell anxiously climbed on board a boat called Greenpeace with a small group of friends. Together, they set sail for the Arctic Ocean to stop the testing of a nuclear bomb, and the Greenpeace movement was born. "It was camp that really made me aware of nature and made me want to save it," says Bill. Your Mission & Service donations support 25 United Church–run camps across the country. Every year, your generosity gives thousands of children an opportunity to attend

camp. Who knows? One of them might be so impressed by our natural world that they create another movement to save it. An inspiring story perfect for Earth Sunday!

None of us can go a single day without having an impact on someone's life. And we can't always predict how what we do to help change a life might wind up changing ours, too.

Take Bill Darnell. Bill's love affair with nature began at camp, but it didn't end there. Far from it. Bill's childhood experience of camp wound up inspiring

one of the world's most influential environmental movements.

"Camping had a big effect on me. I grew up in suburbia and didn't have much access to the natural world. Camping was an opportunity to go out and be in nature. It was amazing. Being at camp solidified my strong connection with the natural world," he says.

Bill's early camp experience instilled such a love of nature that when he became an adult, he became an environmental activist. "When I was 25 years old, not far removed from my years in camp, I saw that they were testing nuclear weapons. That was so obviously wrong that I felt I had to do something to stop it," he says.

So, Bill and a small group of friends anxiously climbed on board an 85-foot fishing boat later dubbed Greenpeace. Together, they set sail for Alaska to stop the testing of a nuclear bomb. Greenpeace as a movement was born.

Bill's story proves that camping experiences in childhood can lead to a lifelong commitment to care for God's creation. As scientists and activists sound the alarm around climate change and experts report that not spending enough time outside is having an impact on our children's health and well-being, outdoor ministry has never been more crucial. It's just one of the many reasons why Mission & Service really matters.

Your Mission & Service gifts support over two dozen United Church-run camps across the country. Every year, your generosity gives thousands of children an opportunity to go to camp. There, they learn life skills, meet other campers, explore faith, and spend time outside.

Like Bill, some young people may leave camp so impressed by the natural environment that they get on board a movement to take care of it. "Camping made an incredible difference in my life. I know it will make an incredible difference to young people across Canada. I give thanks to those who support it," Bill says.

Please make a gift to Mission & Service today. Your support not only makes a difference right now but also has an impact on the future for all of us who are blessed to live in the beautiful world God created.
